## Class of 1977

In the course of four years, the Class of 1977 has made many attempts to get rolling. We have been successful in achieving this goal during our senior year.

We arrived at D-R in 1973 convinced that we knew all the "ins and outs" of high school as a result of our eighth grade visit. We soon learned our place, but our officers: President Kevin Phillips, Vice-President Sandy Souza, Secretary Shari Perry, and Treasurer Stacy Rebello still attempted to lead us to our identity. Mrs. Fay provided us with advice and council as freshmen, and to her we extend sincere gratitude.

We geared up in the autumn of '74 for a sizzling sophomore year, and we soon found ourselves immersed in our class projects, the spirit chain and our first dance. Our officers included: Larry Dutra, President; Kevin Phillips, Vice-President; Lisa Brett, Secretary; and Stacy Rebello, Treasurer. It was during this year that Mr. Ohrenberger came aboard as our advisor.

Junior year we profited by several bake sales during the football and basketball seasons, and by continuation of our spirit chain. President Larry Dutra, Vice-President Kevin Phillips, Secretary Lisa Brett, and Treasurer Stacy Rebello were in command as we presented the Valentine's Day Dance.

Spirit Week '76 was a great way to start off our final year, to unite the class, and to get everyone involved. Even though we lost the tug-of-war to all the underclassmen, we enjoyed ourselves and finished Thanksgiving week with hoarse voices. The remainder of our senior year was filled with M&M sales and our Senior Prom.

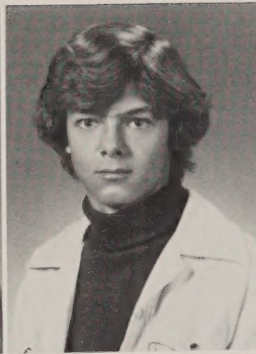

Being a Super Senior '77 has real meaning to each individual in the class. It means being able to cope with our defeats and still muster the spirit to graduate as a proud member of the Senior Class.

Mr. Robert T. Roy

## In Appreciation:

The class of 1977 would like to express their deep appreciation to Mr. Robert T. Roy, for his many years of service to the Dighton-Rehoboth Regional School District. In the past twenty-two years, Mr. Roy has witnessed the construction of the high school in 1961, and the entrance of the last class containing Berkley students.

He not only took an interest in the Academic Functions of the school, but also in many of the extra curricular activities. One would see him at many of the football games as well as various music concerts and theatrical performances.

His retirement will conclude many years of service at Dighton-Rehoboth, and he will be missed by all.

## Principal Mr. Marshall Sawyer

Graduation is not an end - it is another starting place in life. You are well prepared to face the fresh challenges of tomorrow. I hope that you are also eager to help create a new and courageous beginning. So much needs to be done. So many new leaders are needed. So many new ideas and new methods are necessary. So many new problems wait on your solutions.

This is the challenge that faces you as you set forth in this important part in your life. In your search for happiness and the building of a better world, I wish you success. May you enjoy a lifetime of happiness and good fortune.

Marshall Sawyer

## Assistant Principal Athletic Director Mr. George Petrin

Best wishes and congratulations are extended to graduates of the class of '77. It has been a pleasure to have known you, and, hopefully, at some time, to have helped you during your years at Dighton-Rehoboth. May you have nothing but success in all of your future endeavors.

George Petrin

## Class of 1978

When the class of 1978 entered D-R, we immediately moved to become very involved in school activities. We engaged in the corridor decoration contest with fervent determination and held our first annual Christmas Bazaar. In 1975, we began the sophomore tradition of selling calendars which proved to be a profitable and enjoyable venture.

In March of 1976, the class, as sophomores, organized a successful dance. Spirit Week of 1976 brought school-wide involvement, and our class actively participated, winning many events and contests. Finishing second, behind the sophomores but ahead of the seniors and freshmen was rewarding for us. We feel that our past achievements are a prelude to future successes.

# The Class of 1979

In the autumn of 1975, the mighty Class of 1979 entered the halls of D-R in the manner of all previous freshman classes - scared, lost, and apprehensive. We immediately organized into a cohesive unit and assembled our ballpoint pen sales' campaign plus two bake sales. Who can forget our first Thanksgiving Day ball decorations as we rushed at the last second to create a tangible representation of our boundless spirit? The resulting display may not have been perfect, but it did prove one thing: it proved that our class had plenty of spirit and drive, the two qualities necessary for a successful high school career in academic and extra class activities.

This year, the Class of '79 really got together and worked hard and the hard work really paid off. Beginning with a button campaign and two bake sales, the Sophomores then launched the most successful sales campaign in D-R history! In three short days, members of the class sold over some 4500 calendar towels, to produce a profit of some \$2700, making them the most affluent class in recent history. The entire class, and especially the home room captains, worked extremely hard to push the class way past its goal.

But the Class of '79 was not through! During the exciting Spirit Week held at Thanksgiving time, the Sophomores squeaked out an upsetting victory against the other classes to prove that the class of '79 was a most spirited class. It was an entire class effort from the team members right down to the cheering fans and pep squad. When Spirit Week was over everyone realized that this class was really something special.

The Sophomores keep busy all year. Other bake sales were held, and in April, they sponsored a successful dance. Later, they worked hard to put on a yard sale.

Again and again, this class has shown its spirit and ambition. It already sees two more Spirit Week victories ahead. But in June of 1979, when the entire class is assembled for graduation, everyone will have respect and admiration for the Class of 1979, one of the best, if not the best class to ever attend the alma-mater we hold so dear, D-R.

# The Class of 1980

The Class of 1980 has banded together for various events this year. The first activity in which the whole class participated was the Spirit Week competition, which we met with relative success. This spring we had a very successful mug sale, selling over 1000 mugs.

Entering this school, our class was

comprised of several separate groups, but we soon became united under the leadership of our president, Jeanne Virdinlia, vice-president, Sue Sherman, secretary, Cheryl Martin, and treasurer, Jeanne Brown. We look forward to new school experiences, and hope to have many more class activities in the years to come.

# Clubs and Organizations

# National Honor Society

The NHS consists of seniors who, in their first three years, successfully attained an 89 average or better. Seniors are inducted in March, also. These people must have attained an 87 average or better in their first 3½ years at D-R. Members also run their own homeroom.

The activities of the NHS include the operation of a concession stand at home basketball games. The profits from these sales finances an induction ceremony for the initiation of new members at the end of the year. Also, profits are appropriated into a scholarship fund for college-bound seniors.

FIRST ROW: K. Corey, L. Edmonds, B. Fagundes, D. White, SECOND ROW: Advisor, Mr. Frates, B. Ferry, S. Victorine, S. Nichols, T. Snape, N. DeMattos, B. Brown

# Student Government

The Dighton-Rehoboth Student Government enjoyed an active and rewarding year. The Student Government sponsored a bloodmobile which visited D-R on December 20.

A student exchange with Seekonk was held during the second week of March. A D-R delegation visited Seekonk High School on one day and the visit was

repaid by Seekonk the next day.

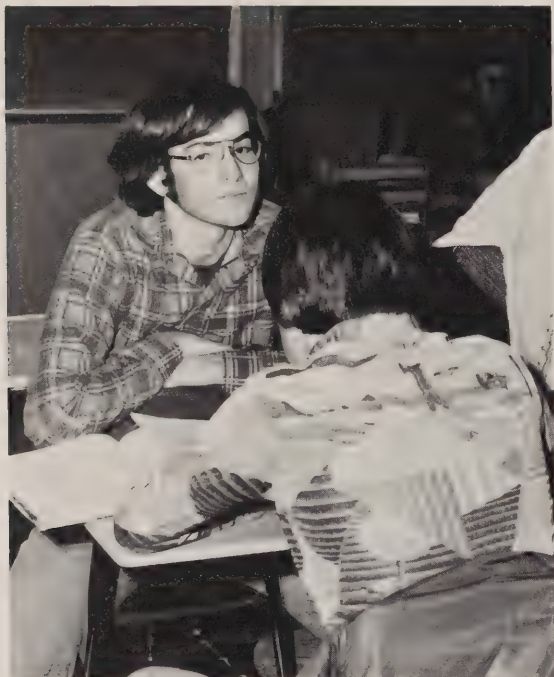

Other activities for the year included working on the "Gong Show," Officers' trip to Martha's Vineyard, Candy sales, and the annual Ham and Bean Supper, benefitting the Citizen's Scholarship Foundation.

OFFICERS: Brian Tobin, Pres. David Toner, Vice-President; Shari Perry, Patti Pearson; Secretaries: Debbi Jo Abrams, Treasurer; Mr. Laffoley, Advisor.

# Math League

Arithmetic, Algebra 1, Geometry, Algebra II, and Trigonometry. These are the five topics at each math meet. Every participant must be entered in three of the topics and perform the problem set before him or her.

This year, as in the past, D-R's math team did exceptionally well, finishing in excellent position in both of the Southeastern Massachusetts Math Leagues. Also, the team entered a new Atlantic-Pacific Math League and concluded the season in a good spot for a school our size.

Team members this year include, SENIORS: Norma DeMattos, Betty Fagundes, Brenda Ferry, Tom Snape, and Vivian Williams, JUNIORS: Bev Borden, Liz Bump, Gerald Curry, Clarice Ennis, Lynda Goudreau, Allan Hass, Mary Ann Hackson, Grace Johnston, Richard Nowell, and Richard Wallace. Also, SOPHOMORES: Danny DeAmaral, Gary Cloutier, Peter Evans, Cheryl Pontes, and Jim Torres.

# Camera Club

Thanks to Miss Kelleher, the advisor of the Camera Club, the club was reestablished, much to the enjoyment of having someone taking the position and caring enough to help the students have a club.

The students that participated in the club learned the basic essential skills of photography. The skills included: the using of the camera, the taking, processing, and developing of pictures, and mounting the finished product for the art show.

Along with the classes of 1979 and 1980, the Photography Club held a dance on April 15. They set up a section in the foyer so students could have their pictures taken.

Next year looks promising to all involved. This year's members included: Danny Andrews - President, Rose Carpenter - Vice-President, Paula Auclair - Secretary, Cherly Rust - Treasurer, C. Springer, C. Enniss, D. Striby, T. Richmond, J. Gustafson, C. Santore, C. Franco, E. McCrohan, M. Annunziato, and B. Comtois.

# Cyclops Staff

The Cyclops' eye was closed for most of this year, but he woke up in time to produce a super-smash year-end issue, covering everything all the way back to September. (Remember September?). For the first time in D-R history, the Cyclops is being governed by two co-editors, who spend their time worrying and warring with the expanding staff, each other, and the ever-patient Mr. Holmes, our devoted advisor. The meetings consist of arguments, laughter, and general hysteria. In spite of this confusion, we have lots of good ideas for next year. (Watch out D-R!).

This year's members included: David Ennis, Jill Spiegler, co-editors; Linda Goudreau, Paula Marcoux, Kate Horan, Maggie Rourke, Sue Estey, Becky Swanson, Evelyn Libby, Jim Torres, Johanna Bell, Lauren Benner, Kate Otterson, Danny Andrews, Elaine Kinder, Mike Silva, and all those typists!

# Health Careers Club

At the organizational meeting of the club the decision was made to change the name of the Future Nurses Club to the Health Careers. The club is made up of any student interested in the various health professions.

In the spring the club sponsored a few fund raising projects. The club also takes a few trips to colleges, hospitals, and nursing schools to see what kind of educational institutions they would like to attend.

In the spring, the club engaged in a CPR course and received certificates.

Officers for the 1976-77 year are: President; Sue Stone, Vice-President; Twila Pittsley, Secretary; Donna Patterson, Treasurer; Gale Barrows.

# Music

Auditions. This is one word that is heard down Shubert Alley from the first week of school in September to the end of the year. Whether it is District, All-State, S.E.M.S.B.A., or even a college audition. A dedicated few are at each and every one of them.

These people spend many hours practicing for these auditions, and even more time learning the music in preparation for the music festivals.

# Chess Team

The 1977 chess team became "king" of its division this year as it posted a 9-1 division record. Mike Silva, this year's captain, Jerry Curry, Richard Nowell, Chris Minardi, Ken Boostrom, and Mike Drummond all played integral parts in the team's fine season.

# Spanish Club

This year the Spanish Club started out the year by electing officers. Betty Fagundes was elected President and Laurie Victurine was elected Secretary-Treasurer. Plans were first made for a trip to Boston to see a Mexican singer and Flamenco dancers. In December, a Christmas party was held after school. We even had a hand-made piñata. With school coming to a close we are in the process of planning a trip to a Mexican restaurant to get a taste of Spanish food.

# Business Club

Contrary to common belief, the Business Club is not the conglomeration of financial wizards plotting to gain control over our nation's biggest corporations. Actually, the Business Club's domain lies in the corridors of D-R. Its members are a group of students interested in the world of business.

Club members operate the Business Club Store during their study periods. The store carries a little bit of everything that is beneficial to the needs of the student body. The store offers the members first hand experience at running a mini corporation. Activities include monthly meetings, club officer elections each semester, and a trip at the end of the year. The officers for the 1976-77 school year are:

## Semester I:

President - Keri Jones  
Vice-President - Edith Rose  
Secretary - Marybeth Horton  
Treasurer - Anne Caron

## Semester II:

President - Anne Caron  
Vice-President - Edith Rose  
Secretary - Lisa Cestodio  
Treasurer - Dawn Cestodio

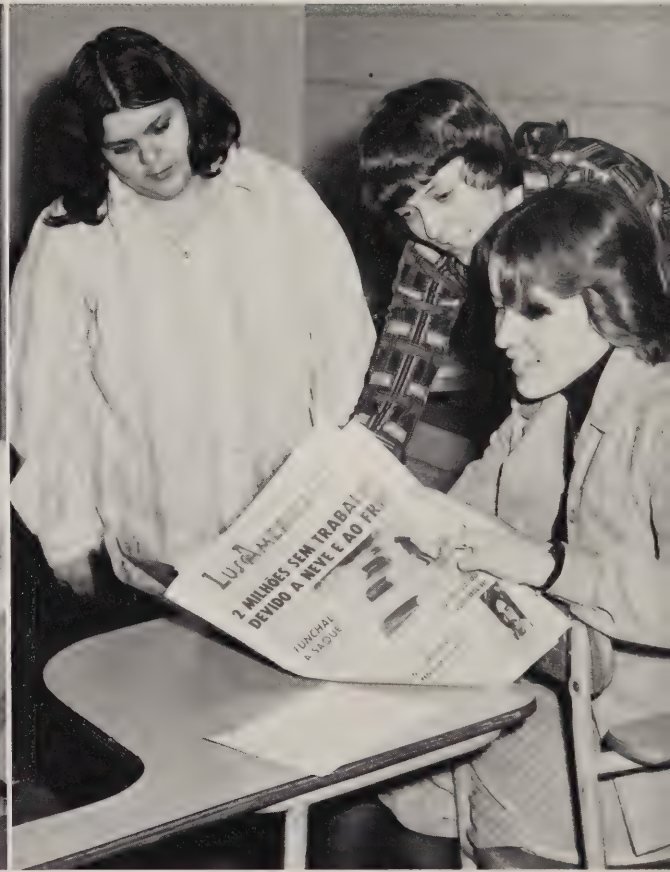

Our advisor is Mrs. Doolittle.

# Portuguese Club

The Portuguese Club of D-R got its fourth year off to a good start by electing its officers: President, Debbie Rodrigues; Vice-President, Judy Jacome; Secretary Barbara Brown; and Treasurer, Beth Menzel. The club, advised by Mr. Santos, opened up a snack bar after school, were entertained by guest speakers and went on a few field trips, such as visiting the Whaling Museum in New Bedford and the festival in Fall River. Everyone had a good time and are just waiting for the club to start again in September.

# French Club

"Le Cercle Francais" was an active, interesting club during the 1976-77 year. For the first time in a few years, the club held regular meetings at which refreshments were served "toujours." At the meeting the club viewed several film strips concerning French culture and played French word games. Two volunteer club members took charge of each meeting.

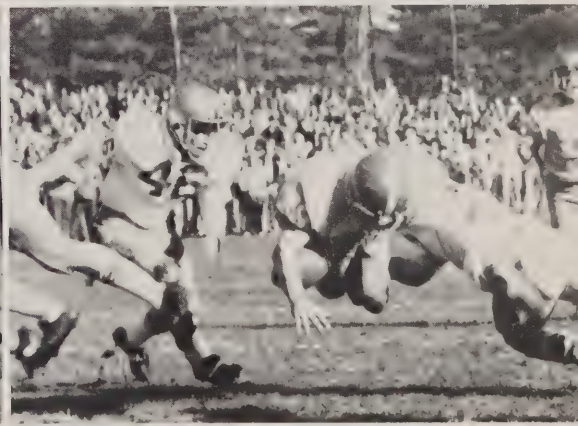

# Latin Club

The first project of the '76-'77 season was a trip to Brown University for their annual Christmas celebration, completely in Latin. Recovering from that shock, we went on to schedule a joint excursion with the French Club. We traveled to the Rhode Island School of Design Art Museum to see their fine French and Roman collections. We topped off that day with lunch at Rue de l'Espair (and a sip from Mr. Frate's wine!). Plans are in the making for our annual Vergil's Birthday Party, and Latin Day at Tufts University.

Fall 1976

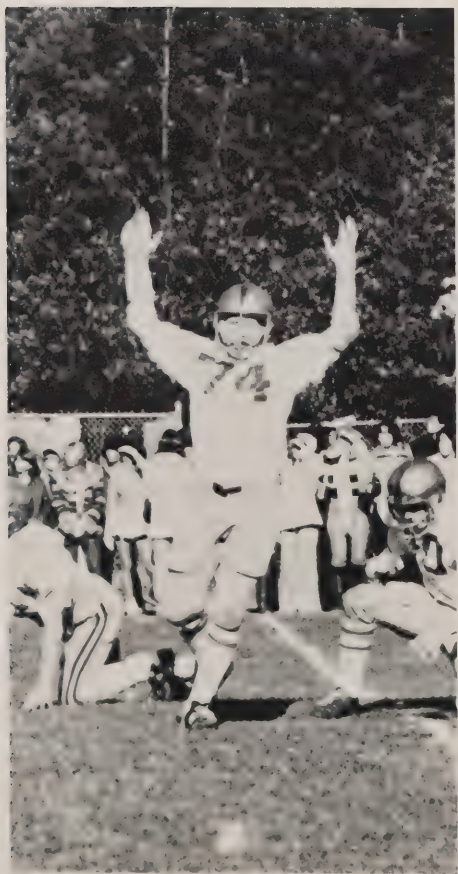

# Football

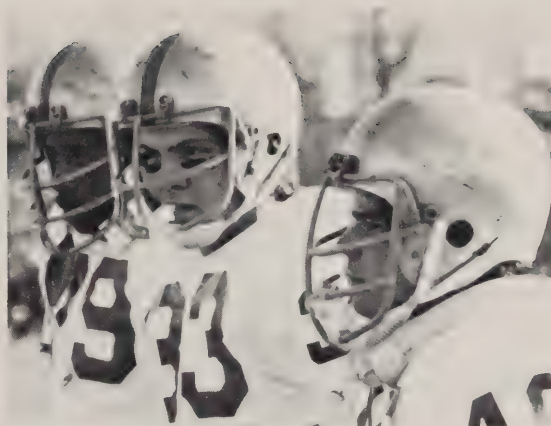

The 1976 Falcons entered the season with anticipation. The defending champs had a new head coach to lead them through the season. The new coach, Edward Tartufo, had his work cut out for him because of the opponents in Division III.

The offense of mostly experienced Seniors was impressive. The offense, with the formidable backfield combination of Dan McGee, Mike Hebert and Gary Ramsden were becoming an effective trio.

Overall, the team looked to be very competitive in 1976. This was shown in a disappointing, hard fought game against Fairhaven.

# Field Hockey

The girl's field hockey team entered into its second year of league play, and with key victories over Taunton, Norton, and Case, they posted a division record of 4-4-2.

The junior varsity ended its season with a sparkling 5-1-0 mark. Both teams showed much poise in establishing respectable season records in only their second year of league play.

# Falconeers

It was the fourth game of the season. The team had not yet arrived on the field. From the school came the sound of the familiar cadence as the Falconeers proceeded to the goal post for the playing of the National Anthem. This time the cadence seemed more alive. The ensemble seemed to be more spritely and militaristic. One by one the spectators turned and noticed - the band was wearing new uniforms. This and the hard work that was put into each show by the whole ensemble helped to make this year's Falconeers one of the best marching ensembles that D-R has ever seen.

# Cheerleaders

Early Saturday mornings the voices of the cheerleaders echo as they get in their last practice before the game.

There's locker room confusion in hurried preparation - following the band down the field - finding where to stand on the sideline - the band playing the national anthem - and the beginning of the game!

Confetti flies with each touchdown and the cheerleaders display the spirit, pride, and enthusiasm they have in the team.

This year's squad members included: D. Paradis, P. Copeland, D. Bouchard, D. Smith, B. Spearin, C. Phillips, B. Borden, S. Rodrigues, M. Santos, and D. Silvia.

# Cross Country

Cross Country, backed by a strong nucleus of senior runners, underclassmen Kevin Durand and Paul Defayette led the D-R harriers to a fine 6-6 season. The team, coached by Mr. Marsden, displayed the strong desire to win throughout the year that is characteristic of D-R teams. Captains this year were seniors Mike Silva and Mike Ferreira. The remaining seniors, running for their last year, were Steve Eaton, Mark Rousseau and David White.

# Spirit Week

Monday, Nov. 22

"Pass the Orange."

"Balloon Basketball."

"Wet Your Whistle."

"Blind Trike Race."

"Egg Toss"

"Three-legged Race."

"Tug-o-War"

## Wednesday, Nov. 24

That D-R students and teachers possess school spirit second to none was proven as a result of SPIRIT WEEK '76 FESTIVITIES held during the three days preceeding our annual Thanksgiving Day clash with our arch-rival, Seekonk High. The seniors were responsible for the creation of what is sure to become D-R's most outstanding and meaningful tradition.

Images and fond recollections already permeate our memories: the excitement and electricity which became a part of the atmosphere at school during the weeks before Spirit Week; the hours of meetings and work sessions which made it an unqualified success; the seniors in their make-up; the faculty cheerleaders, so graceful

and poised; the freshman tricyclist; the mountains of pennies; the crimson faces of the tug-of-war teams; the grins on the most dour of faces and the camaraderie, friendship and joy which we all experienced collectively - as a school family.

We congratulated the sophomores for garnering the singular distinction of being victorious at the first Spirit Week. Years from now, perhaps when our own children are making confetti, or scouring the house for pennies, or asking us if we are the fearless falcon, we, the class of 1977, will always be remembered as the class which brought fun and spirit, and, most importantly, responsibility, to the students of D-R.

## Winter 1977

# Winter Track

Cold weather and deep snow made practice for the ill-equipped winter track team all but impossible this year, so the team ran with pride and determination instead of conditioning. These qualities paid off as the Winter Track Team posted a 7-3 record overall and a 5-1 record in their division; good enough for second place (the only loss being a forfeit to Fairhaven). Seniors Dave Plante, Mike Silva, Dan McGee, (this year's top point getters), Steve Eaton, Mike Moulding, Dick Luthi, and David White set records and provided the leadership and points needed to make this year a success. Coach Finley must be looking forward to next year's team. Congratulations guys.

# Cheerleaders

Basketball season wouldn't be complete without the presence of our highly competent cheering squad. Long hours of preparation go into their performances. This work paid off and their work was greatly appreciated by team members and fans alike.

Seniors Audrey Edmonds and Kim Nugent will be sadly missed next season, but even as they leave, new talent will move up in the ranks.

Though the D-R Falcon hoopsters didn't have a good year, they were in every game they played, getting a 5-9 record in their division and a 5-17 record overall. Leading the Falcons through their season campaign were co-captains Sean Nichols and Butch Andrews. Injuries hindered the Falcons most of the season, but they always played with much intensity.

# Hockey

State Rink, Fall River, New Bedford, Swansea, or anywhere. New helmets, new push-ups - the Coyle game - Save by McGuirk - Goal by Ryder from Sherman Harrison - two minutes for roughing.

The 76-77 D-R Hockey season was many things, but most of all it was a time of self-realization. A realizing that if you're willing to work hard enough and put your mind to it, you can achieve almost any goal. The positive force given off by twenty-two young men in quest of the same goal is a most pleasant emotion. The 76-77 D-R Hockey season was a pleasant emotion. One to be remembered by the seniors.

The departure of Paul, John, Al, Brian, Scott M., Scott L., and Mike leave some big holes to be filled. However, with the like of Jerry Fletcher, Dan Carpenter and several other lettermen D-R rooters rest assure that the Falcons will be flying in '78 in quest of another Divisional Crown.

# Winter Concert

On Friday, December 17, the D-R Music department presented "Wintertide." The annual Christmas concert.

The chorus, under the new leadership of Mr. Andre Descoteaux gave a dazzling performance, with music ranging from an INDIAN CHRISTMAS CAROL to the traditional DECK THE HALLS.

Not to be outdone, the band began with the stately March of the Heralds and ended peacefully with GESU BAMBINO.

Truly this was a concert in the highest of Christmas spirit.

# The Night of January 16

Opening night "jitters" were once again felt at D-R when the Seniors presented the play NIGHT OF JANUARY 16th by Ayn Land.

For some, this play ended a busy four year theatrical career, and for many it was the opportunity to make their debut in the theatre.

Three months of rehearsing, memorizing lines, building a set, designing costumes, and finding props ended with two outstanding performances hailed by some as being the finest Senior play ever presented.

Prior to each performance, twelve members of the audience were selected to sit on the stage and become the jury for the trial. No one knew whether the accused, Karen Andre, would be found guilty or not guilty of murder. And wasn't the defense happy when each evening the verdict was not guilty! There are those, however, who still believe Karen did murder Bjorn Faulkner.

Ending their theatrical careers at D-R were veteran actors Brian Tobin, David Toner, Steve Eaton, Norma Demattos, Betty Fagundes, and Mike Annunziato.

Larry Dutra, Mike Hebert and Sharon Milko appeared for the first time on stage, yet their performances were like those of seasoned actors.

Also taking bows for the first time were Justin Harrington, Kate Horan, Mike Silva, Mark Parisseau, Sue Stone, Heather Robinson, Chuck Garnett, Paula Auclair, David Plante, and Ken Boostrom.

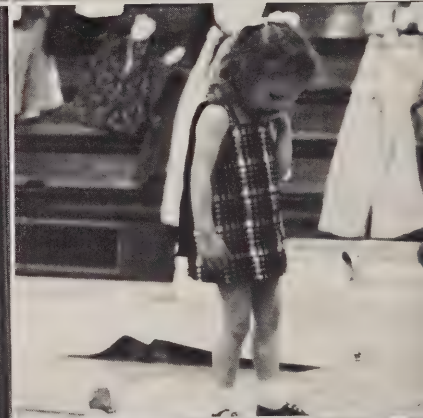

Completing the cast were Lisa Deane, Kerrie Young, Linda Beck, Allison Dwyer, Mike O'Connell, and Mike Ferreira.

Night of January 16th was directed by faculty members Edward Martin and Stephen Ohrenberger. Betsy Dillingham and Robin Turner served as student directors.

# Spring 1977

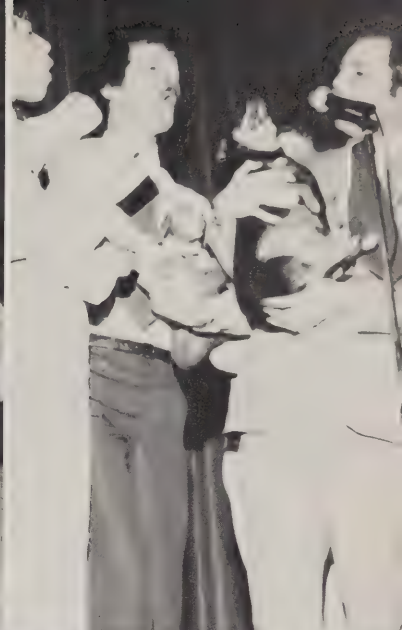

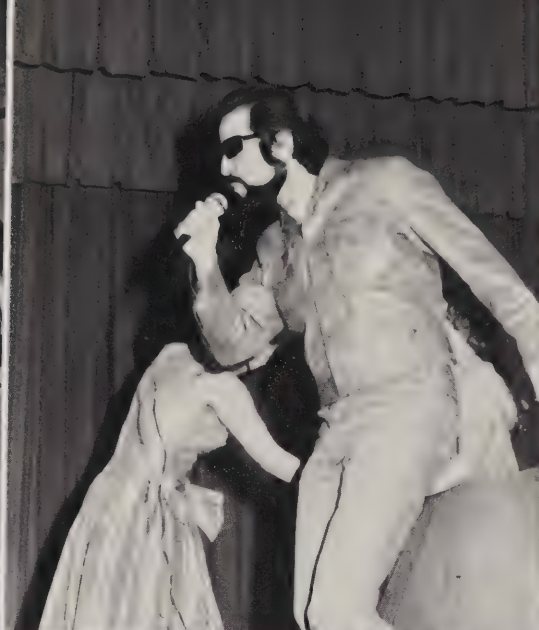

# G o n g S h o w

On April 15, 1977, the D-R Student Government treated the student body to a Gong Show. D-R students were given a chance to demonstrate their various talents, mercilessly judged by David Toner, Mrs. Goyette, and Mr. Day. Among the acts were the Big Figs, a song and dance routine by a group of teachers, and a guitar piece by Buddy Goff. In the end, Buddy was unanimously declared the winner. All the proceeds from the show were donated to the Citizen's Scholarship Foundation. All in all, the Gong Show was a good way to let off steam before a beautiful April vacation.

# Yankee Doodle

Lights! Music! Broadway! These were the words that echoed throughout the auditorium on the evenings of May 6 and 7 when the Drama Club presented its musical success THE YANKEE DOODLE.

For weeks prior to these performances the music and lyrics of George M. Cohen could be heard emanating from the auditorium as the cast sang, danced and rehearsed in preparation for opening night. Costumes were designed and made; scenery was built; props secured; light cues arranged. Almost three months of rehearsing ended with two memorable performances and a well deserved standing ovation.

For many students this was the last play on the D-R stage. Taking final bows and bidding goodbye to the theatre at D-R were Mike Silva, Sue Victorine, Paula Auclair, Edith Rose, Mike Moreau, Debbie Cook, Mike Ferreira, Diane Guertin, John Pacheco, Lynn Gross, Brenda Ferry, Tammy Pontes, and Sharon Duarte.

Looking forward to their next show were other cast members: Pam Constantine, Laurie Victorine, Clarice Ennes, Sue Pellitier, Scott Meagher, Cheryl Derlien, Mette Erickson, Donna Rose, Greg Rassol, Janet Maltais, Bob Reed, Judy Jacome, Cindy Franco, Cindy Rose, Lisa Lach, Deby Jecoy, Sue Estey, Sandy Pray, Kathy Chasse, and Laurie Prairie.

Backstage activities were under the direction of stage manager Vivian Williams while Edith Rose served as production manager. Costumes for this patriotic musical were made by Becky Pariseau, Raye Anne Reed, Judy Jacome, Sue Victorine, Laurie Victorine, Sandy Prey, Janet Maltais and Maryann Jackson.

Karen Bonney did an excellent job at the piano during the rehearsals.

# Spring Concert

Five months of preparation made this year's Spring Concert one of D-R's most memorable concerts ever.

The music comprising "American Tune" ranged from Renaissance to 20th Century Pop and Classical. Two pieces by P.D.Q. Bach were even thrown in to break away from the routine of the concert. Who can forget the rubber chicken and the clarinet player's wonderful talent for gargling?

Topping off the excellent performances of each group separately was the combination of the two performing Paul McCartney and "Wings," hit song "Jet," and the quartet singing Paul Simon's "American Tune."

The efforts of both Mr. Descoteaux and Mr. Otto were warmly acknowledged by the audience with a standing ovation. With the concert over, both band and chorus members relaxed over a pizza at the Gondola.

# Golf

The 1977 Golf team had a very successful season, finishing with an overall record of 15 wins, 2 losses, and 2 ties. In addition, the team, which had been given little attention in the pre-season predictions, nearly won the league title, finishing second by one-half game to Somerset. Consistently good play by Senior Chuck Soule, Junior Mark Piquette, Sophomores Scott Simmons and Chris Minardi, and Freshmen Mark Weeks and Manny Burgess was the major reason for the team's success. With five starters and a rapidly improving group of players returning next year, the Falcons should be a team to contend with in 1978.

# Art and Fashion Show May 20

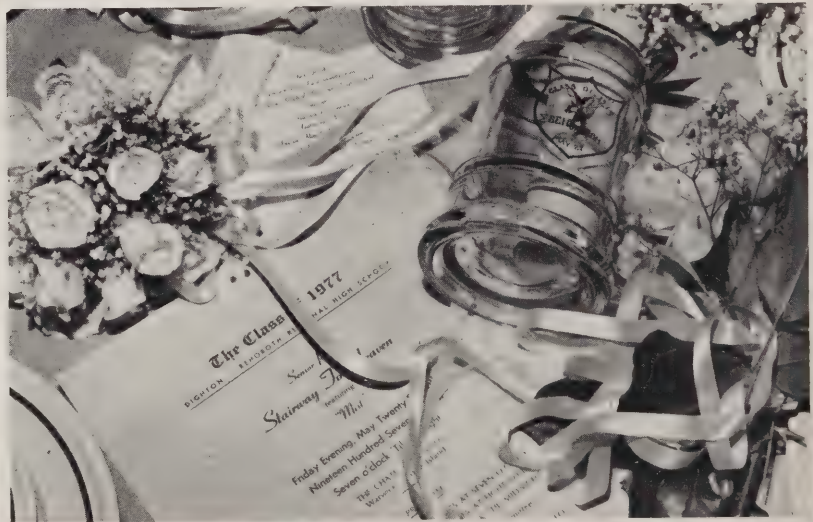

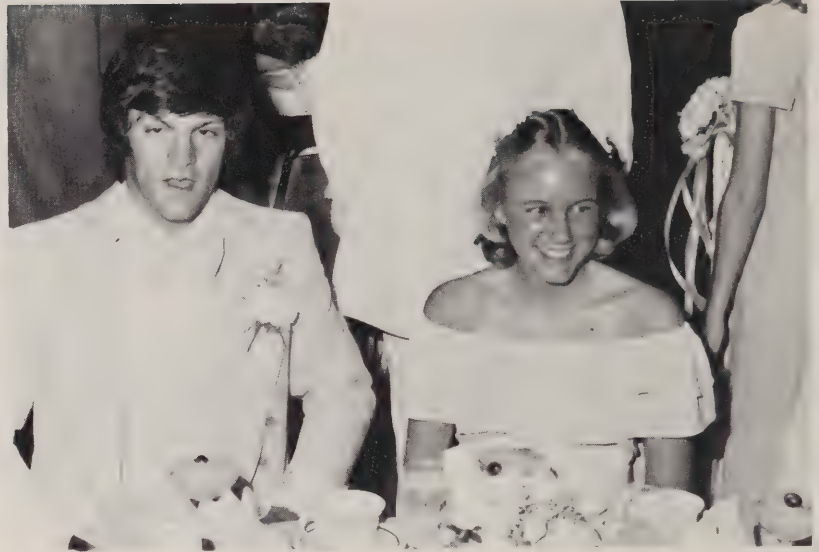

# Senior Prom

It was here - Friday May 27 had arrived. After weeks of looking for dresses, picking out tuxes, ordering flowers - it had arrived.

Between 7:00-8:00, cars started rolling into the parking lot of the Chateau de Ville and couples gracefully stepped out. As they ascended the spiral staircase incasing the magnificent chandelier, they could see the long lines formed behind the photographer. Once the formality of the picture-taking was over, everyone went into the Venitian Room and seated themselves at the tables.

After a dinner of roast beef, everyone enjoyed dancing to the music of "Mist" until midnight.

# Graduation

Back in April, a group of students decided that an outdoor graduation was going to be a realization and not just a dream. So as a result of their hard work, D-R held its seventeenth annual graduation exercises in the courtyard.

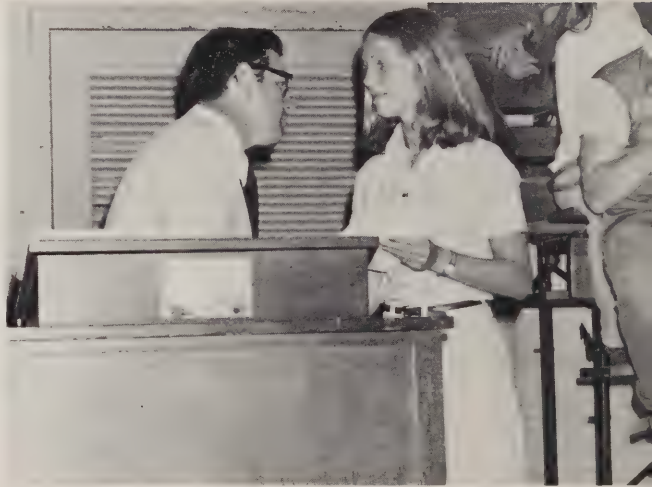

The busy week all started on Tuesday, May 31 with practice. Because of the possibility of rain, two plans had to be worked out. Outside if the weather was agreeable, and in the gym if it rained. Wednesday June 1, the Senior Awards assembly was held to honor members of the class for their academic distinctions. On Thursday the Senior Class held their dress rehearsal for members of the student body. This enabled the students to see what the graduation ceremony looked like.

On the morning of June 5, about forty Seniors arrived at the school to set-up more than 1500 chairs. As a result of a combined effort this job only took about an hour. So everyone went off home until it was time to arrive for the ceremony.

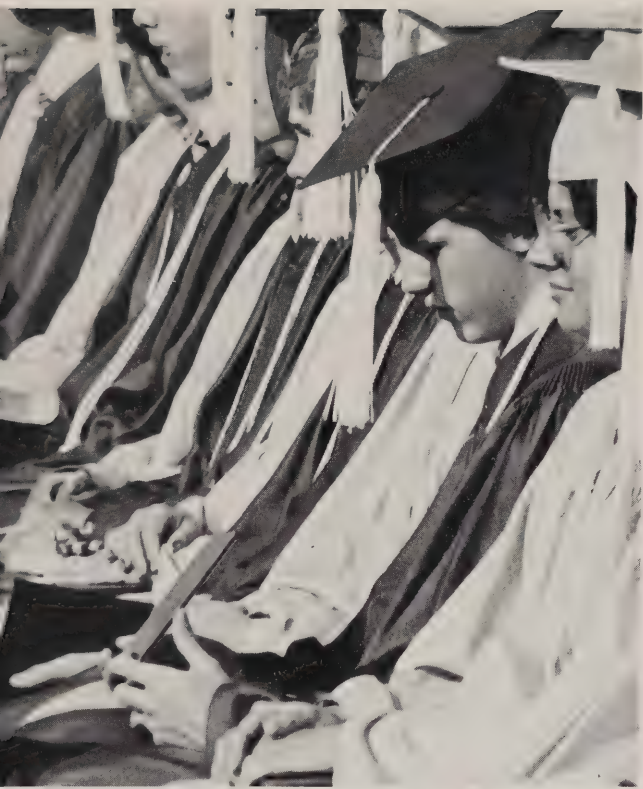

At 3:30, Seniors came into the foyer and started to attire in cap and gown. While waiting for 4:00 to arrive, many promises of future correspondence and summer visits were made.

The ceremony seemed to be going off without a hitch until some light sprinkles turned into a brief shower. But soon after the shower, the sun was shining brightly and everyone was dried off.

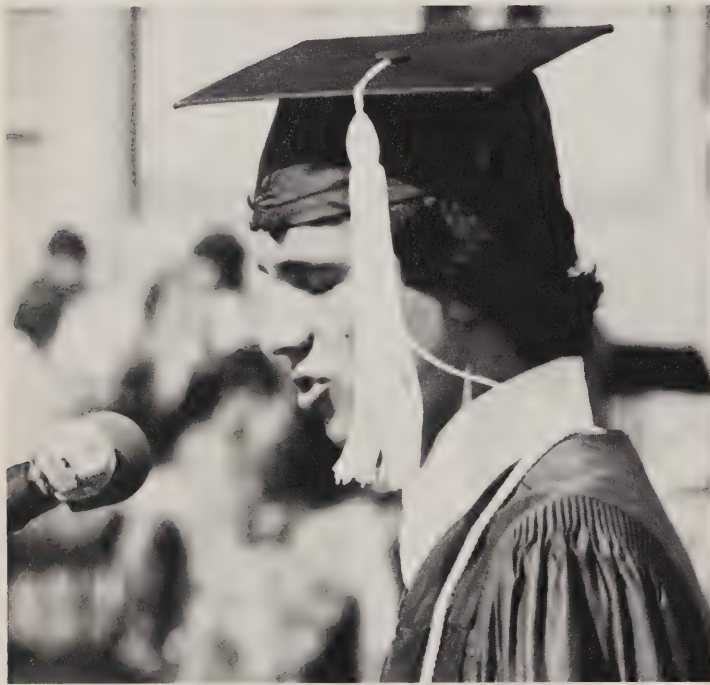

All too soon graduation was over. Now no longer members of the school, but graduates, we were saying our final goodbyes to those people with whom we had grown.
